BUILDING DIGITAL BRIDGES

Text messages on COVID-19 response and Government entitlement sent through WG-CAN website to atleast 24234 people. At least 13 CSOs and 5625 new volunteers added.

SPREADING THE MESSAGE

5 Million People reached through the mobile van units and public service advertisements. Demonstration on the six steps of hand washing was done during each distribution across the states.

THE POWER OF PARTNERS

Oxfam India partnered with 40 civil society organizations across 14 states. Most of these organizations are our previous or existing partners. Our partners are working with the most marginalized and vulnerable groups.

SAFEGUARDING THE PEOPLE IN THE FRONTLINE

2,785 PPE kits were handed over to the government hospitals, health department, district administration, hospital workers in Kerala, Maharashtra, Bihar, Haryana and Delhi.

SOCIAL SOLIDARITY AMIDST PHYSICAL DISTANCING

Oxfam India is working with diverse groups of people who are affected by the COVID-19 situation. This includes migrant workers, Adivasi communities, Dalits, Persons with Disability, transgenders, tea garden workers, people living in slums, people who are not covered under NFSA.

GENDER AT THE HEART OF EVERYTHING

Oxfam's response focuses on ensuring that women and girls have the right to access relief. We have reached elderly women, women with disability, women daily wage earners with relief in the form of dry food. We are using the gender lens to analyze the situation and develop gender inclusive programming.

TRAINING THE TRAINERS

More than 498 Oxfam staff, partner staff and volunteers from 11 states have been provided orientation on COVID-19 focusing on self-protection and protection of others, Water, Sanitation and Hygiene (WASH) response, Gender, Social Protection and EFSVL (Emergency Food Security and Vulnerable Livelihoods) and Community Engagement in the COVID-19 context. Online training has been provided to 17 state participants and 566 participants.

ADVOCACY, INFLUENCING AND STRATEGIC PARTNERSHIP

Established close relations with educational institutes like Lucknow University, TISS, NIMHANS for knowledge building and sensitization of key functionaries. Strategic partnerships held with Department of Health in UP, Bihar, Maharashtra, Delhi and Haryana, District Administrations in all the response states. Coordination with IAG, Sphere India and other state and national level institutes for strategic interventions.
