GENDER AT THE HEART OF EVERYTHING

Oxfam's response focuses on ensuring that women and girls have the right to access relief. We have reached elderly women, women with disability, women daily wage earners with relief in the form of dry food. We are using the gender lens to analyze the situation and develop gender inclusive programming.

BUILDING DIGITAL BRIDGES

Text messages on COVID-19 response and Government entitlement sent through WG-CAN website.

SPREADING THE MESSAGE

5 Million People reached through the mobile van units and public service advertisements. Demonstration on the six steps of hand washing was done during each distribution across the states.

TRAINING THE TRAINERS

More than 498 Oxfam staff, partner staff and volunteers from 11 states have been provided orientation on COVID-19 focusing on self-protection and protection of others, Water, Sanitation and Hygiene (WASH) response, Gender, Social Protection and EFSVL (Emergency Food Security and Vulnerable Livelihoods) and Community Engagement in the COVID-19 context. Online training has been provided to 17 state participants and more than 2,500 participants.

THE POWER OF PARTNERS

Oxfam India partnered with 40 civil society organizations across More than 90 states. Most of these organizations are our previous or existing partners. Our partners are working with the most marginalized and vulnerable groups.
